

## Waiver for Background Check

### Big Rapids First United Methodist Church

In accordance with the Big Rapids First United Methodist Church Safe Sanctuary/Risk Management policy, volunteers who work with children and youth at the church must undergo a yearly background check. This is for the safety and security of all children, youth, adults with special needs, and volunteers. By signing this waiver, you give the Office Manager of Big Rapids First United Methodist Church permission to access the Michigan State Police background check. If you agree to this, please sign, date, complete and file with the Church Office.

Note: a copy will be kept confidential and secure for church records. You may request to see a copy of this file.

**I give permission for Big Rapids First United Methodist Church to perform a background check using the Michigan State Police ICHAT system.**
